

Providing Surgical Instruments All over the world

Saweez
Surgical Corporation
Manufacturer & Exporters

About us.

Saweez Surgical Corporation based in Sialkot, Since 1988 to provide high performance in Surgical - Dental Instruments & Hollow ware Products at competitive prices together with professional and friendly service.

we have successfully developed a wide variety of instruments series for different applications, AISI 410 / 420 / 304 type of S.S. The products offered pass through a rigorous quality control process meaning that the product must have excellent condition of Polish / Matt finish , measures, designs and being made with the best quality stainless steel.

To achieve the world market we elevates the quality of its instruments in working with high-class machinery & tools. **Saweez** is an FDA Approved "CE" - cGMP ISO 9001 - ISO 13485 - ISO 14001 accredited company and has established itself as one of the world's leading Manufacturers of Instruments. Our instruments are trusted and used by hospitals clinics laboratories worldwide with over twenty years of experience.

Saweez will strive to ensure that a close relationship exists with all customers. This relationship must be maintained by the provision of unquestionable service, product quality and the understanding of the importance of continued product development.

In short, with the strong qualified team, we can design any special instruments to meet any specific requirements. **Saweez** employs a highly focused group of personnel who combine high academic standards with years of experience to ensure a continuous flow of high innovative products for their customers.

Thanks to the continuous support from our customers, **Saweez** has gained its reputation as a world-class supplier of instrumentation.
